## 7. Initial Round of Selection

Application materials will be reviewed by the International Students Office. Then, the International Students Office organizes a professional expert team to consider all the application materials on the academic background, research interests, academic performance, morality and development potential in the applied professional field. Applicants who have participated in the interview of the department will receive an interview notice, and the specific time will be determined by the department.

## 8. Online Interview

Before the online interview, students are required to submit Non-criminal Background Check and Physical Examination within past 6 months in English or Chinese through the application system.

The professional expert team will conduct a comprehensive assessment on the professional level and language ability of the candidates who participated in the online interview at the end of March 2021. The English criteria of the online interview is TOEFL (65 points or higher) OR IELTS (band 5.5 or higher) OR equivalent level.

Candidates who participate in the interview should report to the professional expert team, including introduction of personal scientific research experience, explanation of their understanding on the academic area, and achievements of their research.

According to the results of the interview, the professional expert team combines the results of the initial round of selection and online interview, comprehensively assesses the candidate's ability, selects outstanding examiners, and drafts the admission list to the graduate school.

## 9. Admission

(1). According to the result and the draft admission list made by the professional expert team, the graduate school will confirm the final admission list. The International Students Office will announce the final admission list on the website:

<http://www.bcu.edu.cn/bjxy/index.htm>

## 北京城市學院 BEIJING CITY UNIVERSITY

(2). The International Student Office will post the admission notice, visa application form and other necessary documents in July, 2021.

### 11. Registration

Freshmen will be enrolled in October 2021, and specific time will be subject to the admission notice. Admitted students must go to Beijing City University for admission and registration in strict accordance with the time specified in the admission notice.

### 12. Fees and Scholarships

(1) Tuition fee

Master's degree: 30,000 yuan / academic year;

(2) Accommodation fees

3,500 yuan / year for a room with 3 students

(3) Scholarships

According to the foreign language scores (English and Chinese), professional performance, personal achievements, interview results and other factors, our school will select 10 international students ranked from the first to the tenth to waive the tuition and accommodation fee, and provide a certain amount of living allowance and international travel expenses for per student according to the overall performance.

### 13. Degree

Students are required to complete all course work with qualified marks, a master's thesis and a thesis defense within the registered time period. After meeting the above requirements and with the approval of University Degree Committee, the degree will be awarded.

**14. If the country introduces a new postgraduate enrollment policy in 2021, our university will make corresponding adjustments and will make timely announcements.**
